Science Technician Information Booklet

Bishop Luffa Learning Partnership

The Bishop Luffa Learning Partnership Multi Academy Trust was established in October 2020 and consists of Bishop Luffa School, which has a thriving Sixth Form, and Rumboldswyke Primary School.

Bishop Luffa School sits on a large site, just to the west of Chichester and has 130 staff and over 1500 students. Rumboldswyke School is situated near the centre of Chichester, with 12 staff and 53 students.

We strive to give students an experience of school that reflects John 10:10 'I have come in order that you may have life – life in all its fullness'. We are focussed on giving students the opportunity to explore different subjects, different sports and different hobbies and forge an identity that is their own. Guiding all of this is a belief that a full life flows from a relationship with God.

Our expectation for staff and students' conduct in school is based on John 15:12 'Love each other as I have loved you'. This has been turned into our school motto: 'Always our best because everyone matters.'

The Partnership is looking to appoint a Science Technician based at Bishop Luffa School. This is an extremely exciting time for staff to join a growing and ambitious Multi Academy Trust and successful candidates can expect to receive a warm welcome into a very supportive partnership.

I look forward to meeting interviewees in due course and if you would like to come and visit the school before applying please do not hesitate to contact me.

Mr Mark Nicholds
Chief Finance Officer
Bishop Luffa Learning Partnership
(nicholdsm@bishopluffa.org.uk)

Our Vision

Our aim is to show every child what 'life in all its fullness' means.

We are a school of hope, where students are invited to explore their God-given potential.

Staff at Bishop Luffa commit to:

- ◇ Inspire all students to be ambitious about their futures
- ◇ Encourage and develop leadership amongst students and staff
- ◇ Develop Partnerships within, and beyond, the school
- ◇ Foster engagement in personal and spiritual development
- ◇ Nurture a sense of belonging to a safe school and the wider world

About Us

Bishop Luffa School is a busy and thriving mixed comprehensive, with 1566 pupils including 336 Sixth Form students, serving a wide area around Chichester. The school was founded in 1963 to give Christian families a place where their children could be given a high quality education based on Christian values. In 2013 the school became an Academy.

Our school proudly encourages students to explore a wide range of subjects and extra-curricular activities. At the last count, there were 49 clubs running regularly. We celebrate learning outside of the classroom in a number of annual events, such as 'Fruition' which showcases the Arts and Technology and our fiercely contested House competitions in Sports, Dance and Drama. We award a House Cup every year for the House that gains the most House Points.

We want three things from our students: that they join-in, that they contribute to the school community and that they take their turn as leaders. Each House has a council led by its House Captains, and this feeds into our School Council, which is chaired by our School Captains. The School Captains regularly attend meetings with the school leadership team.

Each year group is served by a member of our clergy team, who are drawn from churches in the local community and reflect the diversity of the Christian faith. We also have a Worship Team of staff and students, who write and deliver the 'Connect' programme, which helps students to learn about their spiritual life.

Our ethos, and the tremendous support that we get from parents and carers, leads to our students achieving excellent results and following exciting careers. We are proud of our school and look forward to welcoming a new member of staff into the team.

Science Technician

Term Time only + 5 INSET Days

22 hours per week

Grade 4 £19,650—£20,043 pro rata

Actual Salary £9,931—£10,130

Bishop Luffa Learning Partnership is seeking to appoint a Science Technician to work as part of a team in the technical and practical support of the Science Department, to ensure consistent excellence in the standards and achievement, teaching and learning, quality of provision, and personal development of all students within the Faculty.

You will:

- have high standards and take pride in the quality of your work
- be able to work effectively in a team
- enjoy making a real difference to students' learning

This is an outstanding opportunity to work and develop within a supportive, committed and forward-looking Trust.

Closing date for applications: **Thursday 15th September 2022**

Interviews will take place in the week commencing 19th September 2022

The school is committed to safeguarding and promoting the welfare of children and young people. The successful candidate will be required to undergo an enhanced DBS check.
