

# Teacher of Law at Bishop Luffa School

Thank you for your interest in the post of Teacher of Law at Bishop Luffa School.

Required from September 2024, we are seeking to appoint a full time, permanent Teacher of Law to join a passionate, experienced and high performing Humanities department.

We are looking for someone able to teach Key Stage 5 Law, who is innovative, creative and passionate about Law. The ability to teach another Humanities subject at KS3 is desirable. The successful candidate will love the challenge of working with teenagers and will be committed to supporting them to reach their potential. They will deliver high quality rigorous lessons that inspire a love of Law amongst all students which extends beyond the classroom. The Humanities Faculty has a track-record of providing a broad experience for students. As well as securing excellent outcomes, the department prides itself on the variety of trips and competitions that students are able to access. This would suit an experienced teacher or a strong NQT.

All of our teachers are also tutors. We have a strong House system and we will be looking to recruit someone who will be an asset to the House that they join. The pastoral team will be involved in the interview process.

Bishop Luffa School is a very special place to work. Our students are proud of their school and take part in an incredible number of extra-curricular activities, such as House Drama, the Sixth Form Fashion Show and Charity Week. We would like to hear from people who share our vision that we are here to show students 'life in all its fullness' and who firmly believe that learning extends beyond the classroom.

Bishop Luffa School is a fully comprehensive 11-18 academy. We do not select students based on academic ability, but we do give priority to children whose families go to church. I hope that we live our Christian values of love and respect, which all of our staff and students support, regardless of their beliefs.

I would encourage you to come and view the school and looking forward to meeting you.

Best wishes,

Mr Austen Hindman  
Head Teacher

# About Us

Bishop Luffa School is a busy and thriving mixed comprehensive, with 1603 students including 378 Sixth Formers, serving a wide area around Chichester. Founded in 1963, the School's Church academy status gives our Governors extra powers and responsibilities for the control of the School.

The School is regularly oversubscribed and enjoys a strong reputation for the quality of teaching and of our pastoral care. Our GCSE and A level results regularly place us within the top 200 mixed comprehensive schools in the country. Most of our Sixth Form students go on to Russell Group universities; a number gain places at Oxford and Cambridge each year. Students, parents and carers are strongly supportive of the school.

Our 97 teachers are organised academically into Faculties and pastorally into eight Houses and the Sixth Form. As an *Investor in People*, we are committed to the continuous professional development of all our staff. Faculty coaches support teachers to develop consistently outstanding practice, and lead CPD both in Faculties and across the school.

The Ofsted Inspection of December 2022 judged the school to be "Outstanding", with an Outstanding grade in every category.

The Anglican Schools' Inspection (SIAMS) in February 2015 calls the school "an outstanding Church school" and judges every category as "outstanding". Not all members of staff are practising Christians, but all support the Christian ethos of the School.

As a school we pride ourselves on the opportunities we give our staff to develop and grow. The successful candidate will be encouraged to take part in CPD programmes to prepare them for the next stage of their career. All of our teachers are tutors. Bishop Luffa School is supported by a strong House system, with each House having a distinctive identity. The successful applicant will have the opportunity to contribute to the life of the House and join in the many traditions associated with this, such as Burrows three legged race or the Ridgeway Reindeer Run!

Bishop Luffa School was founded on the aim of providing local children with the opportunity to experience a rich and diverse education based on Christian values.

Our aim is to show our students 'life in all its fullness' (John 10), which means that we are not narrowly focussed on academic goals. Our staff come from many backgrounds and have diverse beliefs, and for some, no belief at all, but all agree with this fundamental aim.

# Humanities at Bishop Luffa School

Humanities is a large Faculty at Bishop Luffa School consisting of History, Geography, RE, Business, Sociology, Economics and Law.

The idea that underpins all these subjects is “developing independent enquiries.” We want students to think for themselves and to see how their subjects link, not just to the classroom, but to the wider world.

The Faculty marks Armistice Day, significant anniversaries and has established links in the local community, for instance the RE department visit Chichester Cathedral and history students make visits to the local Records office.

Humanities form a large part of the school and we have a wide range of displays which celebrate the topics and the students’ work.

# Law at Bishop Luffa School

The Law department is forward-thinking and enjoys a high profile in the school.

Law is a subject of both practical relevance and academic rigour. Almost two thirds of the course is based on three substantive areas of law - crime, tort and contract - and students gain an understanding of the fundamental principles that underpin these areas of law, as well as the skills to be able to find a legal solution to problem scenarios.

By doing so, skills that allow recall of knowledge to enable realistic analysis and evaluation of the law are honed. Students also gain an understanding of the machinery of law-making and justice within the UK, while also considering the philosophies that underpin the nature of law. In doing so, the course allows them to appreciate the rule of law and its application across society, whilst understanding how legal decisions are both made and can be changed.

The course is intended to provide an appropriate foundation for further study of law or related subjects in higher education and various vocational courses. It aims to develop an understanding of legal method and reasoning, develop logical thinking and analytical skills and develop the ability to communicate legal arguments and conclusions with reference to appropriate legal authority. It will also provide students with a very solid understanding of the legal system in this country and the way in which it affects our lives.

Lessons are taught using a variety of styles. Group work, debate and role play are used, along with more traditional teaching methods. Significant online resources are used in teaching and students need to access and use these regularly.

Visits to courts and from legal practitioners enhance students' understanding. We enter a team into the Citizenship Foundation's Bar Mock Trial Competition each year.

Each of the three modules is assessed by written examination which will include multiple choice questions, legal problem-solving and some extended writing.
